PRESENTATION: Proposed Glenrose Sports Complex - Bob Hyslop, The Glenrose Association

The SYSA now owns the property at 37th Ave and Glenrose and is fundraising to build the facility. Bob Hyslop described the proposed facility:

- 400 parking spots
- Stadium lighting - 22 light towers 80' tall.
- The facility would operate daily from 7:00 am to 10:00 pm
- Fields will have artificial turf
- Bathroom facilities would be Porta Potty type. No sewer service.

The location is classified as Community Recreational Facility. However, SYSA will be hosting multiple tournaments from outside the area. Glenrose is strongly against the proposal and have met with SYSA looking for common ground. They are asking for our support by writing letters and perhaps assistance in fundraising to help pay attorney fees. For more information go to Glenroseassociation.org.
