## CA 101: WHAT, WHY, HOW

Saturday, Feb. 21

10 - 11 a.m. @ Shadle Park Library

The Community Assembly (CA) and its committees are a great resource for Neighborhood Councils to work with. Learn the history of when and how the CA was established, how it has evolved over the years, and what the heck it's even there for. Develop an understanding of the way CA agendas are written, how to attend and participate in meetings, and the successful outcomes that the CA has had with our City Council and Administration. Where shall we go from here?
