### 2026 Spokane Safe Streets for All/ Traffic Calming Updates:

- To streamline public feedback for the 2026 traffic calming program, City staff are accepting neighborhood council and resident feedback primarily via the City's 3-1-1 Customer Service channels.
  - Beginning Feb. 2, 2026, the City's 3-1-1 team will be collecting traffic calming concerns and feedback. Residents and Neighborhood Councils (NCs) should submit comments by:
    - Calling 3-1-1
    - OR by visiting the City's Customer Service Request webpage at <https://tinyurl.com/SpokaneServiceRequest> and submitting an online request **[Recommended method for uploading documents, photos, resolutions from NCs, etc.]**
- Concerns submitted via call or online request between Feb. 2, 2026 – **March 31, 2026**, will receive consideration for this upcoming funding cycle (note: consideration does not mean it will be funded.) The 3-1-1 service staff and online portal will remain open after March 31 for ongoing collection of concerns.
- In addition to submitting comments about potential/new traffic calming projects, NCs and residents are encouraged to review Traffic Calming Project Status Lists (<https://tinyurl.com/TCProjectLists>). Projects derived from community workshops in 2022/ 2023. There are three lists available, categorized by 1. Recommended for consideration 2. Funded 3. Not currently being considered.

### 2026 Spring Learning Series:

- The Building Stronger Neighborhoods Committee is hosting the [2026 Spring Learning Series](#). The series is a set of three hands-on workshops intended to share best practices and strengthen the work of individuals and organizations working to enhance Spokane neighborhoods. Everyone is welcome at the workshops and attendance at more than one workshop is encouraged.

### Speed Signs available now

- Education is one of the three "E's" of Traffic Calming in addition to Engineering and Enforcement. The goal of our current campaign is to remind people to slow down and to hopefully modify driver behavior on neighborhood streets. Two designs are available- both featuring the male North American Robin that migrate through Spokane in droves each year. If you are interested in placing one of the signs in your yard, please reach out to your Neighborhood Council Chair or pick one up on the first floor of City Hall!

### **Apply for Mobile Speed Feedback Signs**

- The 2026 Mobile Speed Feedback Trailer application is available (online only) at: <https://tinyurl.com/SpeedTrailer26>. These **applications are due Monday, Apr 13**. The trailers will be deployed the first week of May and the program will run until mid-October (weather permitting). Contact Pollyanne Birge with questions at [pbirge@spokanecity.org](mailto:pbirge@spokanecity.org).

### **Residential Light Program is launching March 2**

- City of Spokane homeowners can receive a FREE motion detecting, solar light to illuminate the darkened areas around their home for safety. Interested homeowners can visit <https://tinyurl.com/SpokaneLights> to request a light. Once approved, pick up will take place at City Hall (808 W Spokane Falls Blvd.) Available while supplies last.

### **Disposal Pass Program launching March 2**

- Disposal Passes cover \$30 in disposal fees at the Waste to Energy Facility and are available to City of Spokane residents in person at the Spokane 3-1-1 counter at City Hall or online at: <https://tinyurl.com/DisposalPass>. Residents can request one disposal pass every 30 days, while funds are available.

### **Neighborhood Clean-up Application due March 10**

- Sign up to host your neighborhood-wide clean-up event (aka roll off or curbside) by Tuesday, March 10. The online application can be found here: <https://tinyurl.com/CleanUpApplication26>. Email Amber Groe ([agroe@spokanecity.org](mailto:agroe@spokanecity.org)) with questions.
