

Light Up Your Neighborhood — for FREE!

The City of Spokane is offering homeowners a **FREE** solar-powered, motion-detecting residential light – easy to install and perfect for lighting up darkened alleyways, sidewalks and public walking areas.

- ▶ **Solar-powered** – no wiring or electricity costs
- ▶ **Motion -activated** – extra security when you need it
- ▶ **Completely FREE** – limited-time offer!

Help us create safer, more energy-efficient neighborhoods. Learn more about the Spokane's Residential Light Program and request a light today. Visit my.spokanecity.org/residentiallight or dial 3-1-1.
