

Special Meeting for Neighborhood People regarding the Comprehensive Plan Draft

Monday September 21, 2026 – 5:30PM-6:30PM – NE Community Center – 4001 N Cook

You are invited to attend a **PlanSpokane 2046** presentation for Neighborhood Councils, before the end of the open public comment period.

As you are aware, the PlanSpokane 2046 periodic update to the Comprehensive Plan has reached a significant milestone, with an open public comment period for the draft Comprehensive Plan, including the Future Land Use Map. More information about the public comment period can be found on the City webpage:

<https://my.spokanecity.org/news/stories/2026/09/04/beyond-the-built-environment/>

To provide an opportunity for individual Neighborhood Council members to hear about the proposals and ask questions, a special presentation has been scheduled for next Monday. This presentation will provide information about the overall project, information about the draft Comprehensive Plan Chapters and Future Land Use Map, and how to submit comments for the public comment period.

This is a scheduled presentation, starting at the posted time, with opportunities for questions at the end. No RSVP required. Families are welcome and kids' activities will be available.

1. **When:** Monday, September 21, 2026 at 5:30-6:30 p.m.
2. **Where:** Northeast Community Center (4001 N Cook), Lower Level, Main Room

Bus routes 36 (North Central) and 27 (Crestline) are available within a few blocks from the community center.

We would appreciate your help in getting the word out to your neighborhood council community, with a graphic attached to this email for newsletters or social media.

You can learn more about the project at PlanSpokane.org. For questions or comments, please reach the project team at PlanSpokane@spokanecity.org.
